What is Savvi?

Savvi Formalwear is a cooperative of the finest formalwear retailers in the world. The organization is collectively managed so that customers are seamlessly served across the United States and Canada. To insure the very best service for every customer, all locations are family owned and operated by members in their respective communities. And all locations are served by local warehouses so that tuxedos look their best when you wear them for your event.

The cooperative model allows us to realize large company benefits regarding such things as buying power, resource pooling, and national branding, while simultaneously providing the exacting levels of customer service only possible with local, entrepreneurial ownership. It is this combination of corporate-level management and innovation, combined with the passion and commitment of our local store owners, that makes shopping at Savvi a unique and satisfying experience.

Savvi Formalwear is the only tuxedo provider that backs its product and service with a satisfaction guarantee. So fly in your guests, not your tuxedos and leave the formalwear to us.

Today's brides and grooms are under more pressure than ever. From finding your dream venue, to selecting the perfect shade of purple, each decision is a challenging one. Our store's purpose and goal is to make your formalwear experience as easy and carefree as possible.

Here at Formal Expressions we carry a full line of high quality, brand name merchandise for you to choose from. Our entire stock of inventory is on site at our location ranging from a boy's 3 to a man's 70. With such a large selection of styles and sizes, you can be sure everyone from the ring bearer to the hardest to fit men will be completely satisfied with their outfit.

As an added benefit to our brides and groomsmen we offer exclusive **In Home Fitting Service**. Once you have selected your styles in the showroom you will be able to make an appointment for your men to be fitted at your location. At that time we will arrive and measure your men with the styles selected for your event. Each groomsman will be asked to try on their ensemble completely to ensure a proper fit. Once the party is measured, our experienced production staff will clean, tailor, and press your tuxedo to perfection. Then, at least two days before your wedding, the suits will be delivered to a location of your choice providing an opportunity to make any necessary adjustments.

This service also includes pick up of the tuxedos following your special day. We provide the most comprehensive service in the area.

We also offer a full service prom tuxedo program including prom fashion shows and in school rentals at many of the area high schools. Ask if your school participates!
